Picasa is an app from Google that offers only the basics and it won't cost you a dime.. While the software could be used as a standalone photo-editing and management tool, it is designed to work with Google's photo sharing site, Picasa Web Albums.. While there are numerous apps that help you edit, organize, and share your digital images, many of them cost a lot and are geared toward users with experience in image editing. 773a7aa168 [Vmrn Clone Options](#)
